

## Product Data Sheet

| Product Description      |                                                                      |
|--------------------------|----------------------------------------------------------------------|
| Catalogue number         | 5130061C                                                             |
| Product description      | Expell 10/20µL XL, extra narrow, pre-sterile, w/filter, hinged racks |
| Sales Unit               | Case / 5x10x96 tips                                                  |
| Product Characteristics  |                                                                      |
| Graduation               | Yes                                                                  |
| Filter                   | Yes                                                                  |
| Filter specifications    | 18-40 µm, PE, hydrophob                                              |
| Low retention            | No                                                                   |
| Sterilised               | Yes                                                                  |
| Autoclavable             | No                                                                   |
| Purity                   | Free of RNase, DNase, Human DNA, Pyrogens, PCR Inhibitors            |
| Size                     |                                                                      |
| Max. volume              | 20 µL                                                                |
| Length of product        | 45.80 mm                                                             |
| Material / Colours       |                                                                      |
| Product material         | Polypropylene (PP)                                                   |
| Colour of product        | Clear                                                                |
| Packaging                |                                                                      |
| Type of packaging        | Racked                                                               |
| Pieces/rackbox           | 96 tips                                                              |
| Pieces / bag             |                                                                      |
| Pieces / pack            | 960 tips                                                             |
| Pieces / case            | 4800 tips                                                            |
| Dimensions case / carton | 296 x 338 x 400 mm                                                   |
| Storage and Handling     |                                                                      |
| Temperature              | Below 35°C                                                           |
| UV light                 | Protect from UV light                                                |

**Note:** *Improper storage can initiate degradation, which results in colour changes and can have negative effects on the physical properties of the products.*

**Safety:** *The product is not classified as dangerous*

**Recycling:** *The product is recyclable.*
